By MELLIFLOIA. Friday, January 2, 1914.

THE Charity ball was such a success that it will probably be made an annual affair. Fewer affairs have been given in Omaha this year for charity than usual, and everyone was most enthusiastic.

Last evening was also inaugurated the cafe supper dance. The ball stopped promptly at the hour of 12, and many were eager to dance more. About forty or fifty guests at the ball went to the Henshaw, where the orchestra was still playing, and had a supper dance. The center of the dining room was cleared for dancing, while supper was served from small tables near the walls; between courses they "castle-walked" and did the "Hesitation waltz."

Some of the cafes are planning to have after-theater supper dances, as there has been a great demand for this entertainment, which is so popular in all of the metropolitan cities of this country and Europe. The tile floor, which is used in most of the cafes, is the ideal floor for the newer dances.

The after-theater supper dances will undoubtedly be more popular in Omaha than the "tea dances," because so many of the business men of Omaha do not have time or inclination to attend afternoon affairs.

Holiday Party

Miss Elsie Perry, who is a junior at the Omaha State Medical school, entertained at her home at Keystone Park Tuesday evening in honor of the young people home from school. The pleasures of the evening consisted in a hayrack ride, skating, games and refreshments. Another feature was the "district school," which was carried out with an appropriate program, and for which the guests were correspondingly dressed. Among the school set present were Miss Madeline Horton and Margaret Fiesse and Mr. Roy Young of the Nebraska State university; Miss Clara Nordby of Wesleyan and Miss Anna Campbell of Peru Normal.

Souvenir menus, in hand-embossed violet design, to whose ribbon binding violet place cards are attached will be at each place. Kennedy, an attorney of the Kaw town. The bridegroom is four inches taller than his best man and everybody who knows "Doc Fitz" realizes that he is some sky-scaper himself. Below over six feet two inches in his stockings. Miss Agnes O'Connor of Kansas City will be the bride and the wedding will be the occasion for the reunion of many Creighton university graduates. F. LID IS OFF FOR THE TANGO

Omaha Takes Up Dancing Between Bites at the Restaurants.

EASTERN CRAZE AT LAST HITS US

Charity Ball is Credited with Starting the Game Again, Not Only for the Sweet Set, but for Everybody.

"It's off," said the man about town. "What's off, not the lid?" "No, not exactly. Not the lid you mean, but the lid on the tango in Omaha." "You don't say so?" "Yes, I do! And it's off right now! Clear off. In the eastern cities the tango craze, as everyone knows, does not stop with the ballroom or dance hall, but the tango is served as a side dish with meals in all the restaurants and hotels. Tangoing between supper courses is the real thing.

"Here in Omaha the tango ball for charity is the opening wedge. After the dancing at the Auditorium last night a lot of the revelers stopped for a bite at the Henshaw, but their feet wouldn't stop, and when the music started they started, too, and it was tango, and tango again, up and down the big dining hall and in and out of the tables, until 2 or 3 o'clock in the morning. It is sure to be repeated there nightly, if not often, and it is only a question how soon the other restaurants will catch the step, for they surely will if they can so easily please their patrons, and they are equipped to supply what is wanted."

Edholm and Wife Fail to Agree on Many Subjects

Sensational charges and counter-charges made by Mr. and Mrs. Albert Edholm in their pending divorce suit have come to light as the result of the order of the district judge that contents of legal papers must be divulged.

Mrs. Edholm, who was charged with threatening to kill her husband, comes back in an answer with an account of how she came to buy a revolver, which she says she pointed at him accidentally at night when she thought he was a burglar.

She asserts that after their marriage, November 17, 1900, Mr. Edholm told her that a man who, before their marriage, had attacked him with a club, would try to injure him and advised her to get a revolver, and if she saw any one loitering about to use it. This she did.

She says he told her that this same man was the one who had circulated pamphlets which contained serious charges concerning his conduct prior to his marriage.

According to the petition filed by Mr. Edholm and the answer of Mrs. Edholm, the subject of Christian Science has been one on which they differed greatly. He charges that she spat on the Bible, and she alleges that he said a "healer" told him to divorce her.

Charges of cruelty, including many specific allegations, are made by Mr. Edholm and denied by his wife. She alleges he is worth \$200,000.

Through Efforts of Mrs. Ahlquist Couple Secures New Home

As a result of the generous response to Mrs. G. W. Ahlquist's appeal through The Bee last Saturday another home has been secured for the old couple referred to in the article. The gratitude displayed by the homeless pair was truly impressive. Even though they had no furniture to make the interior comfortable, they were genuinely thankful for the four walls to shelter them from the cold outdoors, and now Mrs. Ahlquist is "rustling" around to find them some old chairs and a table, and other necessities.

The inclement weather has shed a new hardship over many of the indigent living in the scattered and isolated places and a continual call for help is being rung in Omaha's independent missionary workers' ears for help. New Year's day she helped out several families with coal and is now looking after the needs of several others, comforting the worst cases with the money charitably inclined send her for them.

MARTIN GETS PERMITS FOR NINE NEW HOUSES

C. H. Martin began the new year by appearing at the office of the city building inspector and securing permits to build nine new houses on Florence boulevard, Laurel avenue and Plinkney streets. The houses will cost a total of \$25,000.

Thick, Glossy Hair. All Dandruff Gone

Girls! Try it! Hair gets soft, fluffy and luxuriant at once—No more falling hair.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff you cannot have nice, heavy healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fash, loosen and die; then the hair falls out fast.

If you hair has been neglected and is thin, faded, dry, straggly or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Advertisement.

Fashion Hint

By LA RAconteuse.

This model is developed in ivory silk and crystal bead girandoles. The bodice is totally made of bead girandoles and lined with a white silk mulin, cut in round decollete, rather broadly. A huge flower of Burgundy silk gives a touch of vivid color at the middle front. A tunic of black net, simulating the "tutu" shape, falls over the foundation of cashmere, draped in crossing the front. The bottom of the short skirt is veiled by bead girandoles.

MILWAUKEE WILL PUT IN NEW HOMESSEKERS' RATES

It has been settled that the Milwaukee is the only one of the Omaha roads that will break away from the ruling of the Central Passenger association and put in homeseekers' rates to the west for next Tuesday. This road has given notice that it will not be bound by the association ruling and that it will sell the homeseekers' tickets to points on its Puget Sound line. The Missouri Pacific and Rock Island will sell the tickets from points south of Kansas City, but not north. It does this to compete with the Katy and the Frisco. It is generally understood that all of the railroads will break with the Central of the month homeseekers' tickets will be sold to all western and southern points.

Republicans Here Have Only One County Committee

"It is only trouble makers of the other political parties talking about a split in the republican organization in Douglas county by the resurrection of the old so-called 1912 bull moose republican county committee, with Henry Ostrom as chairman, that never existed except on paper," explained one of the court house officials.

There is only one republican county committee here, the one of which Henry F. Myers is chairman. This committee was selected and commissioned at the regular republican county convention, and did all the work that was done for the candidates on the republican ticket last year. It is true the Douglas county committee affiliated with the Taft state organization and refused to follow after Roosevelt, but it is likewise true, although not generally known, that this committee was officially recognized before the campaign closed by the Epperson state committee whose activities on behalf of the state ticket in this county were manifested through the regular Myers committee. The Epperson folks in doing this put themselves in the peculiar position of repudiating the action of their own state convention, for that convention on a fake contest had ejected the Douglas county delegation, whose credentials had come from the same county convention as the county committee they then acknowledged to be regular. There should be no trouble in getting Douglas county republicans harmonized so far as the county organization goes, because there is only one republican county organization here."

COLBY WILL SPEAK ON DEMOCRACY WEDNESDAY

Bainbridge Colby, who is to be in Omaha January 7 for a speaking date in the evening, has been scheduled for an address to the Commercial club at noon of that day, Wednesday, January 7. His subject is to be "Democracy of the Twentieth Century." A public affairs luncheon will be held at the club on that day.

PRESBYTERIANS GIVE NEW YEAR'S PROGRAM

One of the New Year's day church services was held at the First Presbyterian church, where a large part of the membership gathered at 9 o'clock in the morning for a prayer meeting and consecration service, led by the pastor, Rev. Edwin Hart Jenks, D. D.
